Step into the unknown

By Nicole Natelli
Newman Member

When I started applying for colleges, I knew I wanted my decision to be based not only on what suited me best academically, but also on which would provide the best environment for me to grow in my faith. For the longest time, I believed that would be a Catholic college. I chose one, Franciscan University, but felt a sense of restlessness with this decision. The more I prayed, the more anxious I felt. I started looking at my second choice, Montclair. The more I looked into the school and the Newman Center here, the more at peace I felt about making a decision. I knew God was putting it on my heart to come here.

After going to Catholic school my whole life, I wasn't really sure what to expect. I moved in a

week early for training week and met two of my closest friends. After a couple days of knowing each other, I found out they were both Catholic. This was one of many moments I've had here where I knew the Holy Spirit was guiding me every step of the way.

When school started, I found Newman. I started going to Sunday Mass and adoration and that's really all I planned on doing. Everyone here was so joyful and welcoming, it was easy to become even more involved. Now, I'm in a Bible study, go to Newman nights, and go to daily Mass. It's a huge blessing to be able to encounter Jesus in the Eucharist every day in Mass, and the fact that we have this opportunity here is so awesome!

By becoming more involved in Newman, I

God can truly never be outdone. When we take a step into the unknown and follow His plan for us, He never leaves our side.

ABOUT US

WHO IS NEWMAN?

We are named after BLESSED JOHN HENRY CARDINAL NEWMAN. Over the last century on many secular colleges and universities around the world, centers have been founded to meet the spiritual needs of the Catholic people as well as to be a voice in the dialogue between the Church and the secular world on these campuses.

These centers are named after Blessed John Henry

Cardinal Newman. Newman lived in the 19th Century, was a professor, became a convert to the Catholic faith and is still remembered among many things as a holy priest. Among the many theological writings he did was "The Idea of the University" a series of essays where he observed that the University and the Church are driven by the same goal - the search for the universal truth.

WHAT IS NEWMAN CATHOLIC?

The NEWMAN CATHOLIC CAMPUS MINISTRY has been an active organization at Montclair State University

for over 50 years. Our mission is to help students grow in their faith through spiritual, social and community outreach programs. We do this through helping each other deepen their relationship with Jesus Christ and the Catholic Church which he founded. We are sponsored, funded and operated by the ROMAN CATHOLIC ARCHDIOCESE OF NEWARK. We are chartered as a CLASS I ORGANIZATION OF THE STUDENT GOVERNMENT ASSOCIATION and are a recognized active partners with the University on many committees and initiatives.

Natelli, from front •

grew really close to a few of my friends here. Community is so important when it comes to growing in our faith. "Iron sharpens iron, so one man sharpens another." (Proverbs 27:17) We need people who inspire us to do better and hold us accountable for what's holding us back. I would definitely say I found this at Newman.

I've never had friends who not only genuinely care about me, but also my prayer life and relationship with the Lord. These friends and this community have already worked wonders in my life and for many others here.

God can truly never be outdone. When we take a step into the unknown

and follow His plan for us, He never leaves our side. "Do not fear, for I am with you; do not anxiously look about you, for I am your God. I will strengthen you, surely I will help you, surely I will uphold you with My righteous right hand." (Isaiah 41:10)
